

Alfresco Contractors Inc. 2023 Aggregates Prices List Gwynne Pit

Note: Rates are a bench mark and are subject to volume discounts and round trip time.

*How do you know when you have good quality gravel?
Take a hand full of gravel and separate the natural stone from the fractured stone.
The more fractured stone, the better the gravel.*

Aggregate Products	F.O.B. \$/t (Loaded at Pit)	
*County of Wetaskiwin \$0.25 levy included
